

FOREWORD

This Asia-Pacific Region address list has been revised to accommodate significant changes gathered from National Scout Organizations in our region. As changes are expected to occur from time to time, this list is presented in loose form to enable the user to replace updated pages which shall be provided whenever necessary.

Please take note of the following when using his booklet:

1. This booklet is a confidential reference material and is therefore not to be reproduced nor circulated.
2. Names with ⁽¹⁾ in the address list are those responsible for external relations in a National Scout Organization to whom official correspondence should be addressed and the name with ⁽²⁾ is the secondary contact person in a National Scout Organization.
3. The information is the latest we have acquired. Please advise us on any changes.
